Competitors may re-enter and shoot the course again, but only their first round will count towards prizes. Further entries will be classed as 'targets only'.

Ladies and Juniors are eligible to win both Ladies, Juniors and gauge classes. In the case of a tie for Overall High Gun (Champion) and Runner Up, count back will be used based on the 100 bird sporting course starting on the final targets of the last stand on the course. If there is still a tie after this, the prize will be divided between competitors. Gauge class, Ladies, Junior and Imported High Gun prizes will be divided in the event of a tie.

In the event of reaching full capacity for each day we do reserve the right to add extra days to the competition if necessary.

There will be an allocated jury each day. If there are any disputes regarding scores / missed targets, the issue must be raised whilst on the stand and the head referee and jury will be called.
